CHAPTER UPDATE

In March, the CT chapter of CGA parents held a STARS DESSERT to honor CGA cadets who earned a Military, Academic or Physical Fitness Star in the prior semester.

Approximately 150 cadets enjoyed a variety of desserts (cakes, cheese cakes, tarts), including homemade pies and brownies, as well as a chocolate fountain for dipping assorted fruits and other goodies.

A "Welcome Spring" gift bag was given to each CT cadet. The bag was filled with lots of snacks, toiletries, words of encouragement and love from friends and family from the Capt Paul Foye Chapter.

HOST FAMILY PROGRAM

Can you pick up a Swab or 2, 3, 4 at the airport traveling alone for Reporting-In Day? They usually fly in on Sunday (June 29), some on Saturday, and all report in the following Monday morning (very early, in time for you to still get to work). This service is very much appreciated by incoming families and depended upon by the Academy...and EASY to do! This is an annual service provided by the Capt Paul Foye Chapter. If you are able to host 1 or more Class of 2012 Swabs during the weekend of June 29, please contact Katy Pizzi, katy_pizzi@mac.com or 860-550-4663
